Crisis on the Horizon – Community/Civilian Perspective

Topics are chosen by the host and can be combined and tailored to meet your specific event needs.

Attendees & Organizers share:

- *"Judy Davis was so fabulous!!!! It was such a breath of fresh air having a motivational speaker empowering wives to be their best and make "their own story" of their military life "opportunity". I can't remember the last time I attended an event that didn't revolve around our husbands in one way or another and I think you hit the nail on the head bringing Judy in to give a different (much needed) perspective. I loved it!!!!" ~ Dawn: Ft Benning GA*
- *"This talk helped me learn how to seize every moment, stop and take action. If I feel I made a wrong choice that I can adjust and make a new one. This really helps me during many situations especially while my husband is deployed". ~ Esperanza Ft. Bliss, Texas*
- *"Working with Judy was seamless. Professional and organized as well as very interactive and accommodating to the guests. Would definitely hire her again" Sandy: St. Joseph, Michigan*
- *"Judy you knocked it out of the park, our guests got so much out of your presentation!" Stephanie: USAA*
